RE: Application of Dominion Energy South Carolina, Incorporated for Adjustment of Rates
and Charges
Docket No. 2020-125-E

Dear Ms. Boyd:

On December 22, 2020, the Commission's Chief Hearing Officer, David Butler, issued a Directive in which he indicated that the provision of a party's estimated cross examination of witnesses could provide helpful information to the Commission and the parties for planning purposes. Additionally, Mr. Butler stated "[s]uch information should be provided to both the Commission and the other parties by [December 30, 2020] and may be provided on a voluntary basis." The South Carolina Office of Regulatory Staff ("ORS") is still evaluating the testimonies pre-filed in this docket and where cross-examination of witnesses would be most efficient and helpful. As a result, while ORS will be unable to provide estimated cross of other parties' witnesses by the end of today, to the extent it's helpful, we plan to provide our estimates at the start of the hearing.

Sincerely,

/s/Andrew M. Bateman
